

Discover Canada **The Rights and Responsibilities of Citizenship**

NOW on TUESDAYS and SATURDAYS!

Welcome to Citizenship Information sessions!

Since the surge of COVID-19 pandemic, the LSP workers at Jalna Branch Library have been offering Citizenship Information Sessions virtually through Zoom on Saturdays. In response to the needs of some newcomers to run the sessions on weekdays, we are now offering an extra session on Tuesdays from 5:00 – 7:00 PM starting January 26.

The facilitators for both sessions will review and engage participants in the discussions on the contents of the official guide approved by IRCC: *“Discover Canada. The Rights and Responsibilities of Citizenship.”*
